Chapter 1 by LuxCh3rry

"Tic-Toc, your heart will stop~"

The little girl giggles as she points to the swinging pocket watch in her hand.

You close your eyes and start to cry, it's no use.

The Time Master is emotionless, letting his daughters laugh and joke, teasing you endlessly.

Torturing you endlessly.

You think back to the elaborate plans that you and Forten had made.

The ones that had seemed so complex and great at the time.

You were just kids then, now it's real.

You are a woman now.

Chapter 2 by LuxCh3rry

"Tic-Toc, your life we'll mock~"

Another girl laughs, you have to act, and you have to act now.

Looking down into the dark abyss around you, something catches your eye.

A tear, a tear in the Time Master's reality!

And if there was a tear that meant

"HOWDY THERE TIME KEEPER!" Forten came storming in, grinning like a maniac.

"Forten!!" I yell.

Moments later, I woke up to someone shaking me, their hand on my shoulder. "Hey, how long have you been laying here? I hope you didn't forget about the Time Dimension, silly!" It was Forten. "What happened? I just took a nap. What could've happened?" I said, trying to force myself back awake. "Uh, you do remember that time moves, like, way faster here in this world then it does in the Time Dimension?" she said. "Oh god, I forgot" I said, springing back into consciousness. "Yep, 3 years in the Time Dimension has gone past, stupid. We need to get going. I've spent this whole time trying to find you!" Forten took a key from her belt, chucked it to the ground, and a black winding portal opened in front of us. We both jumped in, existed to see what would happen next...
